Harris Colourcentres, Barbados:
Fitts Village • Wildey • Six Roads

Proven Quality

Harris develops formulations to best suit our harsh tropical conditions. Our Ultima Plus products are proven to overall, out-perform leading competitive international and regional brands in comparative blind testing carried out by an independent, accredited laboratory.

Advice and Project Guidance

Our sales team provides expert technical advice and experienced guidance on colours, tools and proper preparation that will give you top results.

Post Sales Service

Our operations have been internationally certified for quality management and we stand by our products 100%. As a local supplier should any issue arise, we are here to address it – we won't leave you high and dry.

Tools & Accessories - Decorative Finishes - Metal & Wood Care - Roof & Floor Coatings - Pools & Specialty - High Performance Coatings – Building Products
