FEATURES & BENEFITS

SmartControl™ 1.0

With variable speed control delivers consistent spray fan without pressure fluctuations at all spray pressures. Ideal for smaller tips typically used for fine finish work

Endurance™ Pump

The most reliable pump on the market – lasts 2 times longer than the next leading brand

ProConnect™ Pump Removal System

Quick and easy one-part pump replacement system – replace pump in one minute - no pins or parts to lose!

Easy Out™ Pump Filter

Vertical design helps eliminate spills. Filters from the inside out and won't collapse. Large 7.8 square inch filtering area reduces tip clogs. Flow-through design cleans with only a few gallons

Durable Cart Designs

Withstands rugged environments: Hi-Boy cart design allows for easy one-person bucket changes, while retractable handle doubles as hose storage.

Totally Enclosed Durable DC Motor

Suitable for use with solvent-based finishes
DC Motors are more forgiving to voltage fluctuations allowing them to run on longer cords
